To all the #Ultima Fans out there: who did the drawing for the Ultima II-Cover? Was it Paul Stintson? @RichardGarriott

Here is work attributed to him... it's also the Ultima II back half, with a wizard and princess added. The Ultima II art was used a few times. Wish I could find the original!

Thank you. I knew he did Wizard and the Princess but I thought that maybe he „re-created” the art of another artist.
